## ABOUT ME

I am a Computer Science Student and | Passionate about Technology and Innovation | Seeking Opportunities in Software Development.

Experienced Freelance Graphic Designer with a demonstrated history of working in the graphic design industry. Skilled in Poster Presentations, Logo Design, Image Editing, Graphic Design, and Email List Building. Strong arts and design professional.

## WORK EXPERIENCE

### Frontend Developer Internship

#### CodeAlpha

Apr- May 2024

Learn about a lot of things and build some interesting projects which was assigned by CodeAlpha team. This was a very smooth and informative internship where I gained a lot of knowledge about Web Development.

### Web Developer Internship

#### CodSoft

May- June 2024

During my internship at CodSoft, I had the opportunity to delve into a wide range of topics and collaborate on some exciting projects assigned by the team. It was an incredibly smooth and enlightening experience where I deepened my understanding of web development and honed my skills significantly.

### Graphic Designer

#### VIDESH SEVA KENDRA

Aug 2021 - Mar 2023

This was freelancing work. I was their main graphic designer, building a large number of graphics including business cards, posters, logos, banners, etc. I also communicated with many clients. This was a superb journey.

### Graphic Designer

#### RudraEco

Jan 2020 - Nov 2021

During my tenure at RudraEco, I served as a graphic designer, responsible for creating a wide array of visual assets including business cards, posters, logos, banners, and more. I had the opportunity to collaborate closely with clients, ensuring their needs and expectations were met through effective communication and creative solutions. My experience at RudraEco was incredibly enriching and allowed me to refine my skills while contributing to impactful projects.
